Call for papers for the International Macro Workshop

The Research Institute for Development, Growth and Economics (RIDGE), and Banco Central del Uruguay, are pleased to announce the call for papers for the Workshop on International Macro, an activity of the RIDGE December Forum.

As in previous years, we are looking for papers focusing on issues related to capital flows, monetary and macroprudential policies, exchange rates, international reserve accumulation, sovereign debt, and international spillovers. Papers in other topics of international macroeconomics and macroeconomics are also welcome.

The workshop will be held in Montevideo, Uruguay on 7-8 December 2023.

The format will be *in person*.

The Workshop will be held within the framework of the 2023 RIDGE December Forum along the following workshops:

Financial Stability, December 12-13, Medellín

Growth and Development in Macroeconomics / International Trade, December 12-13, Medellín

Environmental Economics, December 15, Medellín

Towards Sustainable Growth: December 15, Medellín

The RIDGE December Forum aims to favor the spread of high-quality research in economics by bringing together top researchers working on the frontier of knowledge with local and regional researchers and policymakers. Participants to this workshop are welcome to attend the other workshops.
